### Leaving the Ordinary

Our heart's passion is to travel throughout the Nations of the world ministering the blessings of God's Kingdom that reflects the time and season we are entering. It has become our passion and purpose to see the Body of Christ walk in their God given Destinies and Unlimited Possibilities.

Dr. Pamela and I have a passion to train, equip, impart and release destined individuals into their Kingdom realities and their greatest Kingdom potential. We have learned the greatest secret to living effectively on earth is the understanding of priorities. Our life is the sum total of all the decisions we make every day, and those decisions are determined by our priorities.

We desire to connect Apostolically and Prophetically with Kingdom minded partners, leaving the ordinary way of thinking to do exploits. We want to help you discover your Unlimited Possibilities for Kingdom Purpose in ministry and business.

### Partnership & Covenant Connection

When Jesus was preaching on the shores of Gennesaret, He got into one of the boats that were standing idle at the shore line. He called for the owner, Simon Peter, to come and push out a little from the land. After Jesus taught, He turned to Peter, and said, "Launch out into the deep and let down your nets for a catch." Peter did, and he caught a net-breaking, boat sinking load of fish. There were so many until he called for his partners to help him.

Now, we're calling for those that desire to leave the ordinary principles of doing things and desire a new wine skin covering through Covenant Connection. It's harvest time, and the load is getting bigger than any one person or even a few people can pick. It's time for the new in your life and we're asking you to Covenant Connect with Breaking Free Ministries to move you forward into your destiny. We will train you for world-wide ministry to bring in God's Kingdom harvest for the season ahead.

As the Apostle Paul writes to the church at Philippi who were his Covenant Partners: "Not because I desire a gift, but I desire fruit that may abound to your account." As we enter into covenant together you will share in the investment of sowing seed, but you will also share in the rewards of being released into your ministry and/or business reaping the harvest.

Through your gifts and financial support, together we can gather in the harvest and be free to release you into your Unlimited Possibilities to transform your communities, towns, cities and nations. Whatever benefits are received will also be put on your account and we will all hear our Lord say, "well done my good and faithful servants."

### Covenant Exchange

By no means is **Covenant Connection** just an avenue to release you into ministry. Instead, it's a mutual exchange of faithfulness. Chris and Pamela will faithfully and actively devote time to you and daily intercede for your success in ministry and business.

We will declare and decree daily the blessings-the empowerment to prosper, to excel in mighty ways in our **Covenant Connection**. As you Connect with this ministry you will have the right to connect to the anointing on this ministry so that you, too, can prosper spiritually, socially, mentally, physically, emotionally and financially.

Pray about being in **Covenant Connection** with us. Through the release of your ministries and/or businesses we believe we will bring in this end time harvest together! Pamela and I thank you for your support and pray that God will bless you richly.

Welcome to International Covenant Connection

### Why Should You Covenant Connect

Dr. Myles Munroe says "The wealthiest spot on this planet is the not the oil fields of Kuwait, Iraq, or Saudi Arabia. Neither is it the gold and diamond mines of South Africa, the uranium mines of the Soviet Union, or the silver mines of Africa." Though it may surprise you, the richest deposit on this planet is the person reading and holding this brochure, it's YOU!

Buried deep within you are dreams that haven't come to pass yet, songs that haven't been sung, books that haven't been written, ideas that haven't been shared, visions that haven't become reality, inventions that haven't been designed, plans that haven't gone beyond the drawing board of the mind, and purposes that haven't been fulfilled!

Yes, you are filled with so much potential that it has to be drawn out of you! Only a small percentage of over the six billion people on this planet will ever experience a significant portion of their true potential.

#### Ask yourself the following questions.

- Who am I?
- Why am I here?
- How much potential do I have?
- What am I capable of doing?
- What are my plans and my goals in life?
- By what criteria should I measure my ability?
- Who sets the standards?
- By what process can I maximize my ability?
- What are my expectations?
- What are my limitations?

Within the answers to these questions lie the key to fulfill an effective life. We want to encourage you to go far beyond your dreams. We are here to **Covenant Connect** with you, **Partner** with you, and **Encourage** you to go for it!

It's a big world out there and you're on God's mind. He's waiting on you to **JUMP** into the river of change and seize your opportunity to move forward in your life!

There is a clarion call to you! Are you ready to answer the call from the King and declare:

**"Here I am Lord...Send Me! We are anointed and ready to help you GO!"**
